OBJECTIVE

I'm seeking a job as a registered dental assistant

EDUCATION

- Dental Genius Assisting School
- Liberty Hill High School - High School Diploma

EXPERIENCE

Babysitter

- I take on the role of a compassionate caregiver who's attentive and patient.
- This job has taught me how to follow instructions and be firm.

Lifeguard

- This job disciplined me to consistently transpire professionalism, and maintain maximum effort.
- I learned to cooperate with unhappy parents and difficult children.

ACTIVITIES

Girls Lacrosse/ Girls Tennis

- Being in a competitive sport has taught me to stay physically healthy, and prepared for long shifts on my feet.
- Cooperation, discipline, and dedication was key for being the best team player.

SERVICE

Project Graduation

- I enjoy being involved in my community and contributing however I can.
- Fundraising for Project graduation included advertising tickets and communicating with local families.

SKILLS

- I am extremely skilled in working with people.
- I love speaking in public and being able to serve the people around me.
- I always know how to keep the situation positive and optimistic.
- most important being my time management skills and responsibility. I had to learn very quickly how to not only be responsible for my education, but for children's lives.
- In my commitment to my sports, this illustrates my dedication to success. For anything I do, I will always show up for my team and bring my hard-working attitude
